

Product Datasheet

Product code: **27C.BR.0**

Product type: High precision tweezers

Made in: Switzerland

Description: Type 27C high precision tweezers are suitable to delicate applications which require holding a small component firmly while granting good visibility. The Brass material provides anti-sparking properties and good scratch resistance.

Tip description: straight, fine, pointed, strong, superior finish

Coating/finishing: Sandblasted

Body material: Brass, nonferrous alloy type (BR)
