

Product Datasheet

Product code: PC58E

Product type: TEK-ME Carbon Steel Hand tools

Made in: Italy

Description: The PC58E is a Semi-Flush cutter. Its medium size (3mm thick) and the special treatment of the cutting edges makes this tool suitable for cutting ferrous materials. The Semi-flush edges are designed to increase the cutting capacity. The cutters are equipped with an ESD and ergonomic handle which allows an excellent grip, suitable to environments and to components susceptible to electrostatic discharges.

Head description: Medium, Shear

Cutting edges: Semi-Flush

Cutting capacity: soft wire 2.05 mm (12 AWG)

Body material: Carbon Steel (C70)

Body finishing: Phosphated
